September 2020

Dear friends,

When the New Life Riders finally get the opportunity to have a meeting, we will probably get together at a different location. Our Team has thoroughly enjoyed the Bob Evans in Plainfield. However, they closed temporarily shortly after we gathered there in March. I recently learned the restaurant is permanently closed and the building is for sale. Please keep watching my updates and emails for information regarding when and where we will meet again.

While writing this to you I thought how change affects some people. I began reminiscing about the reaction from quite a few friends a number of years ago when the post office changed my family's home address from a rural route number to a street name when we lived in the Poconos. The new address read "Preachers Camp Road." Everyone thought we had moved to a camp meeting! Actually, our dwelling place had remained the same only the mailing address had changed.

Psalm 90:1 tells us "Lord thou has been our dwelling place in all generations." In Hebrew the word for place means the abode of refuge and protection. Here Moses (Psalm 90 is attributed to him) is looking forward to Israel permanently dwelling in the promised land. Life is short to be sure. God alone is our dwelling place and our security. We can also say with Moses, "The eternal God is thy refuge, and underneath are the everlasting arms." Deuteronomy 33:27

The Apostle Paul tells us in 2 Corinthians 5:1 "For we know that if our earthly House of this Tabernacle were dissolved, we have a building of God, a house not made with hands eternal in the heavens." We should not forget that our citizenship is really in heaven. Philippians 3:20

In the final analysis our "address" here on earth is unimportant. What really matters is that we are abiding in Him and are looking forward to being with Him in the place he has prepared for us. (John 14:2)

You will note that we have more events listed on our website for September than any other month this year. And if you are tired of being cooped up at home these last several months, here is your opportunity to get out and ride for good causes. It was a fun day!

Please remember our brothers and sisters who are unemployed, those with serious health issues and those that are grieving for lost loved ones.

I really like the following quote on prayer from Max Lucado: "Our prayers may be awkward. Our attempts may be feeble. But since the power of prayer is in the One who hears it and not in the one who says it, our prayers do make a difference."

Until next time...

God bless
Riding with Jesus,
Bob Dillon
