August 2022

Dear friends,

It's hard to believe we are in the month of August. People talk about the lazy, hazy days of summer but that is certainly not true for many of us! Our calendars are full of activities where we can go, fellowship and witness.

In my conversations with several of you in the last few months we have talked about how things are not the same as "Yesterday." It's lonely to be missing a wife, a husband, brother, sister and, hardest of all, one of your children. It's hard to let go. It's hard to let go of someone you love. Losing a loved one is always difficult.

If you believe that Jesus is the Son of God and that he died and rose again, I believe that we will enjoy eternal life with him. However, the life that we are living on earth at the moment is just a temporary arrangement. Picture in your mind a caterpillar who is waiting to become a butterfly. Think about all the phases that the caterpillar goes through before coming out of that cocoon. You are a spirit and soul in a temporary physical body. I admit I don't understand exactly how eternal life will look. However, according to the Bible it is going to be awesome. Revelation 21:4 says, He will wipe away every tear from their eyes. There will be no more death, sadness, crying, or pain.

Like the caterpillar, we are broken down to be reformed in God's hands. Are we really ready for this complete transformation?

Let's be patient in this season of transformation and rejoice in the Lord always, praying and giving thanks in all our circumstances (1 Thessalonians 5:16-18).

As we all know, these are very difficult times that we live in, and there are many hurting people out there. The New Life Riders ride with the purpose of serving God and the Community. You don't have to join or belong to any particular organization, or even own a motorcycle to be part of our group. Quietly minister with unconditional love and integrity to the spiritual needs of those in our community no matter who or where they are. We do this by developing one-on-one relationships - just like Jesus has done with us. We believe His desire for us is to share and to show the love of Christ in such a way, that it will cause others to want for themselves, what they see Him doing in and through us. The New Life Riders want to help create an awareness within the Christian community of the many needs and opportunities there are to minister to those that ride motorcycles.

May God smile upon your life so that the smile in your life reflects God's presence in it.

As always, I look forward to seeing you down the road. Love Jesus, be thankful and keep doing the good stuff.

*God bless.
Riding with Jesus,
Bob Dillon

God bless America

Please watch for my emails, prayer requests and updates.

I thought I should share the following hymn with you.

On Eagle's Wings

You who dwell in the shelter of the Lord
Who abide in His shadow for life
Say to the Lord, "My refuge, my rock in whom I trust!"

Chorus

*And He will raise you up on eagles' wings
Bear you on the breath of dawn
Make you to shine like the sun
And hold you in the palm of His hand*

The snare of the fowler will never capture you
And famine will bring you no fear
Under His wings your refuge, His faithfulness your shield. *Chorus*

You need not fear the terror of the night
Nor the arrow that flies by day
Though thousands fall about you, near you it shall not come. *Chorus*

For to His angels He's given a command
To guard you in all of your ways
Upon their hands they will bear you up
Lest you dash your foot against a stone. *Chorus*

And hold you, hold you in the palm of His hand

***Jesus said, "Go into the world. Go everywhere and announce
the Message of God's good news to one and all."
Mark 16:15 (The Message)***
